Under the government’s advice on social distancing as well as protecting our staff and customers, we have introduced the following takeaway ordering procedure:

1. Please place order by phone, we will take your name, car registration number and time of picking up.
2. Pay the order by card on the phone if possible (Please mention on phone if you prefer to pay by cash or vouchers)
3. When you arrive our car park, please notify us by phone that you have arrived, we will phone you again when the food is ready to collect.
4. The food will place on a collection table with your car registration number written on it.

We hope the procedure will minimize the human contact during the process.
